Where are you?

- I have definite career plans and know how to achieve them
- I have some ideas but am not sure what to do next
- I have a few vague ideas
- I am in denial...

What's happening out there?

Graduate Recruitment 'To Rise'
The Graduate Recruitment Bureau, (1 July 2010)

According to The Graduate Market in 2010 report, published by High Fliers Research, **17.9% more graduates are to be hired this year than last year, with nearly half of employers expanding their recruitment...**
