Date:

Data Protection

The New Zealand Society of Great Britain hold personal data on current and past members for the purpose of administering the Society and for the administration and provision of membership services.

For all members the following data is held: name and address. The following additional information is provided to the Society: telephone/fax, e-mail address and collecting interests, whether a dealer. This data is obtained directly from the member and will be kept on a computer system. Financial information may also be held in relation to membership subscriptions and membership services.

Personal data **will not** be passed to third parties.

If you are unhappy with any of the above **do not proceed with your application to join and your details WILL NOT be recorded by the Society.**

The nominated representative of the New Zealand Society of Great Britain for correspondence relating to data protection is Keith C Collins, the Hon. Secretary.
