

# Home Care Technology: your Opinion Matters

## We want to know what you think:

The MATCH project, dedicated to Mobilising Advanced Technology for Care at Home, is running an Interactive Forum Theatre Event. The session will explore key issues surrounding home care technology. The two one-day events shall take place on the **19<sup>th</sup>** and **20<sup>th</sup>** of **April** in the Queen Mother Building, University of Dundee. Each day shall run from 09:30 through to a provided lunch, expenses for travel shall be refunded.

Forum Theatre is about using drama to focus and stimulate discussion between interested parties in a dynamic and interesting way. This event will bring you together, with other interested parties including: Healthcare providers Older People, engineers, informal carers and Social carers to discuss what home care technology is, what it could be and how it may benefit all involved parties.
